

Your Source for Boiler & Burner Systems

For over forty years Energy Control has been Northern Ohio's premier supplier of boiler and burner systems. With an extensive sales and service staff, we are capable of providing support for all aspects of your boiler or burner system from design, installation, startup, and aftermarket service.

*New and Used Equipment Sales • Design & Specification Support
Installation & Turnkey • Rentals • Energy Saving Consulting
Parts Service • Training*

PRODUCTS REPRESENTED

	<ul style="list-style-type: none"> • Steam Firetube Boilers • Industrial Watertube Boilers • Commercial Steam Boilers • Condensing Hot Water Boilers • Flexible Watertube Hot Water Boilers • Hybrid Systems • Electric Boilers • Heat Recovery Steam Generators 	<ul style="list-style-type: none"> • Deaerators • Boiler Feed Systems & Surge Tanks • Water Softeners • Economizers • Exhaust Stack Systems • Burners • Blowdown Systems • Advanced Boiler Controls
	<ul style="list-style-type: none"> • Gas Fired Water Heaters • Condensing Hot Water Boilers • Near Condensing Hot Water Boilers 	<ul style="list-style-type: none"> • Semi-instantaneous Steam/Hot Water heaters • Packaged Storage Water Heaters • Unfired Steam Generators
	<ul style="list-style-type: none"> • Boiler Economizers • Feedwater Heaters • Gas Condensing Water Heaters 	<ul style="list-style-type: none"> • Heavy Duty Economizers • On Demand Economizers • Dual Stage Economizers
	<ul style="list-style-type: none"> • Carbon Steel Boiler Feed Systems • Stainless Steel Boiler Feed Systems 	<ul style="list-style-type: none"> • Stainless Steel Condensate Units • Pumping Skid Units
	<ul style="list-style-type: none"> • PS/IPS Pressure Exhaust Stack • Double Wall Insulated Exhaust Stack 	<ul style="list-style-type: none"> • Zero Clearance Grease Duct • Engine Exhaust Piping
	<ul style="list-style-type: none"> • Shell & Tube Heat Exchangers • Shell & Coil Heat Exchangers • Gasketed & Brazed Plate Exchangers 	<ul style="list-style-type: none"> • Oil Pre-heaters • Blowdown Heat Recovery Equipment • Heat Recovery Boilers
	<ul style="list-style-type: none"> • Fiberglass and Lined Water Softeners • Large Capacity Softeners • Reverse Osmosis Systems 	<ul style="list-style-type: none"> • Media Filters • Retrofit Softener Controls & Tanks • Ultraviolet Purification Systems
	<ul style="list-style-type: none"> • Industrial/Commercial Burners • Low NOx Designs 	<ul style="list-style-type: none"> • Advanced Combustion Control Systems • Custom Fuel Configurations

NORTHERN OHIO'S PREMIER SOURCE FOR:

BOILER RENTALS

Energy Control's boiler rental division (Ohio Boiler Rentals) maintains a comprehensive fleet of boiler rental trailers to assist Ohio businesses for short or long-term emergencies. Rental boilers arrive complete with the boiler, feed water system, water softener, chemical feed system and blow down separator...all piped and wired in a semi-tractor trailer.

REPLACEMENT PARTS

Energy Control can provide any replacement part for boilers and boiler room equipment. With one of the most extensive boiler aftermarket parts networks in the world, our full line of replacement parts is designed, spec'd, and built to keep your system operating at peak efficiency.

	<ul style="list-style-type: none"> • Gaskets • Refractory • Burner Parts and Accessories • Water Level Controls 	<ul style="list-style-type: none"> • Fuel Trains • Fuel Conversions • Pressure Vessel Repairs • Blower Motors
	<ul style="list-style-type: none"> • Flame Safeguards • Pressure Controls 	<ul style="list-style-type: none"> • Temperature Controls • Gas Train Components
	<ul style="list-style-type: none"> • Flame Safeguards 	<ul style="list-style-type: none"> • Combustion Control Systems
	<ul style="list-style-type: none"> • Combustion Control Systems • Gas Train Components • Oil Control Valves 	<ul style="list-style-type: none"> • Modulating Water Control Valves • Modulating Steam Control Valves
	<ul style="list-style-type: none"> • Low Water Cut Offs 	<ul style="list-style-type: none"> • Boiler Feedwater Controls
	<ul style="list-style-type: none"> • Low Water Cut Offs 	<ul style="list-style-type: none"> • Boiler Feedwater Controls
	<ul style="list-style-type: none"> • Boiler Chemical Feed Pumps • Boiler Blowdown Controls • Chemical Containment Systems 	<ul style="list-style-type: none"> • Cooling Tower Chemical Feed Pumps • Cooling Tower Blowdown Controls
	<ul style="list-style-type: none"> • Boiler Feed Pumps • Hot Water Circulating Pumps 	<ul style="list-style-type: none"> • Chemical Feed Pumps
	<ul style="list-style-type: none"> • Reflex Gauge Glass Assemblies 	<ul style="list-style-type: none"> • Replacement Gauge Glass Isolation Valves

SERVICE AND TRAINING

Energy Control Service Department is available 24 hours a day and our trucks are stocked with the parts required for any emergency.

Training Makes our Service Department Special!

Our technicians go through extensive technical training on all product lines as well as safety training. We are a drug free work place. We are proud to hold top ratings with:
