

EnergyControl Northern Ohio's premier supplier of boiler and burner systems.

New & Used Boiler Room Equipment Sales | Design & Specification Support | Installation & Turnkey Rentals | Energy-Saving Consulting | Parts & Service | Boiler System Training

We Proudly Represent:

Boilers

- Steam Boilers
- Condensing Boilers
- Skid Systems
- Industrial Watertube Boilers
- Steam accumulator

Exhaust Systems

- Boiler Stack Systems
- Engine Exhaust & Grease Duct

Controls

- Integrated Boiler Controls
- Hydronic System Control
- Packaged Water Controls
- Water Level Control
- Pump Controls
- Industrial Boiler Controls
- Remote Monitoring Systems

Boiler Accessories

- Economizers
- Condensate Pumps

Boiler Feed Systems

- Deaerators
- Surge Tank
- Boiler Feed Pumps
- SS Boiler Feed Systems

Water Treatment

- Water Softeners
- Dealkalizers
- Filtration Systems
- Chemical Feed Systems
- Water Treatment Controllers
- Surface Blowdown Control

Burners

- Retrofit Burners
- Commercial Burners
- Industrial Burners

Domestic Hot Water

- Semi-instantaneous Water Heater Skids
- Storage tanks & Heaters

Steam Specialties

- Steam Traps
- Pressure Reducing Valves
- Pumping Traps

Heat Exchangers

- Shell & Tube, Plate & Frame

Replacement Parts

With almost 1 million dollars in inventory, Energy Control can provide all of your replacement parts requirements whether it's Cleaver-Brooks equipment or any other boiler manufacturers. Not sure what you need? Our experienced parts analysts can quickly help identify what you need and ship the same day or offer will-call pick up.

Gaskets
